WELCOME TO THAILAND

Romantic holidays must be special all along. Our dedicated team will take care of your stay to make it absolutely unforgettable. Our representative will meet and greet the guests at the airport and take them to the hotel. The newlyweds will be given hand-woven traditional flower necklaces, a basket of fruits, a bottle of sparkling wine and souvenirs as mementos of this fairy-tale like journey.

GIFT CERTIFICATES

This service was designed for those who want to make the newlyweds a most extraordinary gift. We will prepare it on your behalf. This can be a hilarious or touching photo collage in the room, personalized souvenirs, caps or T-shirts, specially-shaped balloons or any other memorable present. We will tailor a package for you to fit your budget and you can be certain that your gift will bring about most positive feelings.

FLOWER DECORATION

Flowers are traditionally believed to be the best gift for any occasion. Wedding is definitely one of them. Fabulous bouquets, garlands, baskets and special arrangements along with cuddly toys, sweets and awesome confectionery masterpieces will exquisitely embellish your special day. We will offer and implement exclusive ideas to fit any budget and to please both the newlyweds and their guests.

PERSONALIZED WEDDING CEREMONY

We will come up with unique creative ideas for your wedding ceremony tailored to your needs and preferences. Be it on a desert island, on the roof of a skyscraper, in the helicopter or on an elephant's back – we will be happy to arrange it for you. Live out your dreams - nothing is impossible!

EUROPEAN STYLE WEDDING CEREMONY

Approximate timing: 14:00 – 18:00.

The couple will first be taken to the beach for a romantic photo-shoot. Then the MC will conduct the ceremony to the favourite music. The newlyweds will kiss each other. The guests will raise toasts to the couple and they will be given a Marriage Certificate (unofficial). The festive evening will end with the launch of a sky lantern for good luck.

The package includes:
