We are pleased to invite you on an exclusive 6-day tour which includes 4 lessons from the most experienced and qualified instructors.

Day 1

This noble game brooks no rush and hustle, so your first day in Hua Hin will be dedicated to getting familiar with the city. The guide will accompany you to the hotel. You will have time to settle in and freshen up after your journey. In the evening, you will dine at the Hilton Hotel. The posh restaurant on the 17th floor of the building commands a fabulous panoramic view of the city and the sea.

Day 2

Your first lesson is to begin after breakfast at 10 a.m., and will last two and a half hours. You will be taught the difference between types of club and will learn how to hit the ball. Even though it may seem easy, you will probably feel a bit tired after the training and a good lunch in the club restaurant will help you restore your energy. In the afternoon, you will practice the basics for 90 minutes. In the evening, you will be invited for a walk to Santorini park.

Day 3

Another lesson will start after breakfast, at 10 a.m. You will master important skills including the chip technique. After lunch in the restaurant, you will continue to learn how to handle the wood – the club with a longer shaft and a larger, rounder head - and will have four hours to practice. In the evening, you will enjoy a fabulous dinner in a seafront restaurant.

Day 4

The morning schedule is the same: breakfast followed by a lesson at 10 a.m. You will refresh the newly adopted skills and then play your first nine holes. Don't be scared – the trainer will be around to help and answer any questions. After lunch and a short fiesta you will may review the theory and try to apply it to practice for 5 hours. In the evening, you pamper yourself with a well-deserved dinner at the Al Hamra restaurant, and a visit to the Plern Van cultural center.

Day 5

Breakfast and morning training as per the schedule. The lesson will be dedicated to perfecting your swing and practicing on the course. In the afternoon, you will again play all nine holes for five hours. In the evening, dinner at the Hagi restaurant will be served for you.
